

RAISING OUR GAME

***NEW* SUSSEX ODNE CONNECT GROUP**

This is the first meet up of the East and West Sussex ODNE Connect Group, which was founded on the simple idea of connecting with like-minded OD Practitioners who want to share their experiences and learn from each other. This is an opportunity to connect, to challenge our own thinking, to learn, and to laugh.

How does OD respond to the axial shift happening in organisations?

For our first meet up, we are focusing on the theme of 'raising our game', inspired by Otto Scharmer's idea that as OD Practitioners we need to bend the beam back on ourselves to see how we might be contributing to the problems that leaders are facing in organisations.

WHEN IS IT HAPPENING?

Friday, 23 August 2019
1300 - 1600

WHERE IS IT?

Spithurst Hub, Spithurst Road,
Barcombe, East Sussex, BN8 5EE

REGISTRATION FEE

Dependent on numbers attending, there will be a small administration fee of between £5 and £10 for refreshments payable on the day

HOW TO GET IN TOUCH

info@odneurope.org

OBJECTIVES

By exploring the line of inquiry “**how does OD respond to the axial shift happening in organisations**”, our first gathering will:

CONNECT

In a way that draws on our collective expertise and diverse perspectives

DISCERN

Where do we need to focus our attention most to help leaders in organisations?

CHALLENGE

How might we be contributing to the problems in organisations? What needs to shift in our own practice?

NOURISH

Unite in our shared endeavour, learn from each other, and expand our OD container

EQUIP

Find practical solutions to real client issues

“There is an axial shift happening in organisations which requires a new set of coordinates. As OD Practitioners, we need to bend the beam back on ourselves to see how we might be contributing to the problems in organisations”.

- Otto Scharmer, 2019 -

We look forward to seeing you there!
